

Log Sheet Instructions

It is easiest to keep this log all year. Write study times down as you do them so you don't forget. Use as many sheets as needed.

Please use your best judgment when considering study materials and activities. Only include activities or time spent that was informative and age/skill level appropriate. Spending time studying is in your best interest and will improve your individual and team achievements.

If you work with a judge be sure to request that he/she sign your sheet .

If you work with at a show, assisting sorting cards, ask the show secretary to sign your sheet.

If you write for a judge, be sure to requests that he/she sign your sheet.
